

Duff Drivers

Peter M Adamson

**Duff Drivers get all over the place, Duff Drivers, they're a real disgrace.
Duff Drivers drive you round the bend, Duff Drivers disaster they send
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**

**Going down the highway at a steady speed, a driver goes past the newspaper he reads, One
hand on the wheel and the other on a phone, it makes you wonder if he'll ever get home**

**Duff Drivers one hand on the phone, Duff Drivers will they ever get home
Duff Drivers don't give a care, Duff Drivers they get everywhere
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**

**Going down the road with my trailer and load, a Duff Driver comes up behind
Beeping his horn so I'll get out of the way he overtakes on a bend that's bl..bl..blind**

**Duff Drivers don't know how to drive, Duff Drivers how do they stay alive
Duff Drivers a bad message they send, Duff drivers overtake on blind bends
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**

**Even when they park they don't give a damn, They'll park anywhere and cause a traffic
jam, double yellow lines or a disabled space, and when they get a ticket they claim that's a
disgrace**

**Duff Drivers they'll park anywhere, Duff Drivers they don't give a care
Duff Drivers they criticize the Law, Duff Drivers, don't know what lines are for,
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**

Instrumental Middle

**The police should catch criminals they say, not catch motorists for speeding away
Try telling that to a victim of crime, when death by driving only gets a fine for
Duff Drivers they take young lives, Duff Drivers they kill husbands and wives
Duff Drivers they do road rage, Duff Drivers can be any age**

Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers

**And now to conclude and finish my song , I hope the message is clear
Duff Driving's a crime, and it's wrong and people shouldn't go on the roads in fear of Duff
Drivers, all over the place, Duff Drivers a criminal disgrace
Duff Drivers haven't got a clue, Duff Drivers a threat to me and you
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**

**Duff Drivers they think they're so cool, Duff drivers breaking all of the rules
Duff Drivers cause roads to block up, Duff Drivers should all be locked up
Duff Drivers, Duff Drivers, Duff Drivers, Duff Drivers**
