## Overview of Conference

The theme for this year's conference is 'Developing Flexible Working Practices', addressing how flexible working practices link into travel plans, HR issues, reducing the need to travel for work, best practice examples and the business case for implementing these practices.

The conference will run from 11.30 - 16.30 and space is limited, so bookings will be taken on a first come, first served basis. The cost per delegate is £69.50, which includes lunch. Members of ACTTravelwise, will be offered a 10% discount. Please indicate this on the booking form.

A shuttle bus will run from Uxbridge station, so please indicate on the booking form if you would like to use this service and which shuttle you would like to reserve a space on.
